

# Catering Corner

JANUARY 2019

## MEET THE TEAM

Our Catering Team is here to meet all of your special events needs!

**Catering Director  
Nicole Moore**

Nicole Moore loves the challenge of coordinating multifaceted events within our beautiful venue. She always strives to create valuable, meaningful experiences for each and every one of her guests, no matter the occasion! She graduated from East Carolina University, GO PIRATES! If you spy her at the office, you will find her sipping (chugging) coffee, talking with her hands, or with her nose in her computer. On the rare occasion she is not working to make magic, you might find her shopping, working out, caring for her pups, or spending time with her friends and family.

**Catering Sales Coordinator  
Victoria Musselwhite**

Victoria has a passion for planning and executing events that she developed while planning tea parties as a 6-year-old. She went on to study Hospitality Leadership in the College of Business at East Carolina University. Working for a wedding planning company and in the banquet department of three venues has prepared her to dive into the Macgregor Downs team with enthusiasm and excitement! In her free time, you may catch her reading a book, spending time with family and friends, or making a day trip to the beach or to the mountains for a hike.

## #weddingwednesday

We are now offering all-inclusive wedding packages and updated menus! Visit the website to see our most recent wedding booklet and encourage your friends and family to consider the Club as their wedding destination.
