A Message From Your GM

Dear Members,

As many of us ring in the New Year with family and friends, there will be reflections on the year gone by and resolutions and forecasts for the one to come.

Our Golf Course Maintenance team completed a drainage project on the fairway of #14, along with the fairway of #6. This work will continue into 2019 with more drainage work to be completed at #5 tee. Along with the drainage projects, landscape improvements were completed throughout the course to include all new water boxes and paver pads at cooler stations. Over 750 plants were installed along the course to enhance the aesthetics. We have plans to continue with this trend, as well repair a significant amount of the cart path. Many of you have inquired about bunker renovation. We are continuing to evaluate the needs of the course and the process and timing to complete a bunker renovation. In 2019, we will start a bridge repair project that will involve strategically replacing bridge decking as needed and anticipate starting with the bridge on #18 in January. We received many compliments on the course conditions this past year, and I want to send a special thank you to the entire Golf Course Maintenance team on their efforts in what was sometimes a challenging year.

In the clubhouse, we installed new decorative tile between the Lakeside Room and the Main Dining Room. The 19th Hole was refreshed to include new tile in front of the bar, a new bar top, and credenzas to match the bar. This upcoming year, we will be refreshing the ladies and men’s restroom outside of the 19th Hole and continuing the Men’s Locker and Ladies’ locker room refresh as well. We are working hard to have these updates completed while the clubhouse is closed for annual maintenance. The clubhouse will re-open on Friday, January 11 at 11:30AM.

We have some great events that will take place in January and February, to include the Murder Mystery Dinner, Tour of France Wine Dinner, and Valentine's Dinners. Don’t forget to join us for our Welcome Back Party on Friday, January 18 starting at 7PM. This is a complimentary reception for members only, with beer, wine and live entertainment from the E.G. Peters Band.

In Golf Operations we will bring back the 2-Man Super Bowl Challenge that so many of you enjoyed last year. Also, don’t forget to enter into the NCAA and the Super Bowl squares. Join our Pros for a unique opportunity to learn more about golf etiquette and culture on January 19-20, with 3 hours of instruction. This Pre-Spring Intensive is intended for those members that are new to the game of golf.

We have recently updated the carpeting in both the men's and ladies’ restrooms at Tennis, and anticipate many more updates to these space within the next year. Our Pros have begun finalizing details for their many 2019 tournaments and clinics. Many of which, are available for registration online! The season will begin with a Tennis Kickoff Weekend in February and will bring players of all levels together for play and socializing.

Help us to make 2019 a great year by continuing to share your feedback. Member Relations and Communications Director Gabby McCalister is looking forward to hearing from you.

Best Regards,

Joseph B. Nowell

Pro’s Corner

Thank you for making 2018 a fantastic year at MacGregor. A special thanks goes to our staff. It’s great to be part of such a nice course, and friendly and fun Pro Shop. Stop by the Shop to enter our college football raffle; this can get you a head start in your 2019 sweeps. Our first event of the year is the Super Bowl 2-Man on Saturday, February 2 and Sunday, February 3.

Everyone has a New Year’s resolution and the Golf Staff’s resolution is to help our members enjoy the game of golf at MacGregor by keeping a good pace of play. It’s important that we all do our part on maintaining a good pace of play. The first step is awareness of our pace. A golf course is like a one lane bridge. Everyone must move so they are up with the group ahead of them. Really, the only acceptable time to have a group wait on yours is briefly when you are finishing a par 3. If everyone moves at the required pace of 4 hours and 20 minutes, we will all enjoy our golf experience. Everyone in the group is responsible for that group’s pace. If someone in the group is slowing you down, please be a good MacGregor member and do what it takes to get back on pace quickly. In 2019, we will be out helping you keep your pace and we appreciate your awareness in this matter.

We appreciate your support this year and look forward to 2019.

Director of Golf

Farewell Note

Dear MacGregor Members,

As I prepare to move into the Director of Golf position at The Muttontown Club in Long Island, NY, I wanted to take the time to let everyone know how much I loved working at MacGregor Downs Country Club. It has been terrific to have such a wonderful membership and group of employees to work with every day. I greatly appreciate each of you and your families. Throughout the year, everyone has given me support and made me feel welcome. Although I am excited to be with my family again, I am heartbroken to leave my MacGregor family. I hope we all can see each other again!

Warm Regards,

Sol Guerrero

Future 36ers Academy Overview (Ages 3-6)
The Future 36ers program is designed to give juniors, ages 3-6, a fun environment to learn to play the game of golf! This program’s purpose is to prepare juniors for the Operation 36 Program where we will begin to start measuring progress on the golf course. Our holistic curriculum is designed to set up each junior with an athletic golf foundation that will accelerate their enjoyment and success in the sport. We believe in the “whole child” approach which ensures that each student is healthy, safe, engaged, supported, and challenged throughout their development.

A Gentleman in Moscow by Amor Towles
Thursday, January 24, 6:30PM
The novel’s plot is set in the beginning of the 20th century Russian Empire and follows the story of Count Alexander Ilyich Rostov and his life in the Hotel Metropol where he has been under house arrest for thirty-two years. The 20th century was one of the most turbulent times in the history of Europe. Old political systems were deemed obsolete. People wanted change; they wanted rights for all, not just for the wealthy. In the Russian Empire ‘old and new’ clashed in blood, violence, and death. During the 20th century, being noble was not very popular in Russia. Communists slowly but surely gained more and more trust from the people. Since their agenda blamed several groups of people for every misfortune that happened, being a count became very dangerous. Alexander Ilyich Rostov knows this. He almost gets killed but is saved at the last moment in the most peculiar way. An interesting novel, filled with historical segments, The Gentleman in Moscow is more than just a story of one man. It is a story of survival and uncertainty in dire times.

The President is Missing by James Patterson and Bill Clinton
Thursday, March 7, 6:30PM
The President Is Missing confronts a threat so huge that it jeopardizes not just Pennsylvania Avenue and Wall Street, but all of America. Uncertainty and fear grip the nation. There are whispers of cyberterror and espionage and a traitor in the Cabinet. Even the President himself becomes a suspect, and then he disappears from public view . . . Set over the course of three days, The President Is Missing sheds a stunning light upon the inner workings and vulnerabilities of our nation. Filled with information that only a former Commander-in-Chief could know, this is the most authentic, terrifying novel to come along in many years.

Dear Families,

Welcome to 2019! With a new year comes new opportunities to elevate our youth and family offerings. Thank you for a truly wonderful 2018 and for your support and attendance at our events. We are so excited to welcome you back to the Club and have some new surprises in store this year.

I am so excited to continue to grow our camp options and will now offer two weeks of Spring Break Day Camps this year, as well as eight weeks of Camp MacGregor with extended hours to give our campers even more pool time! We are also pleased to announce Toddler Time will be starting in February for children four and under to have a fun activity in the Youth Room and make friends. Our favorite classes will be back again this year with the addition of two new theatre classes. We also have Mother/Son and Father/Son activities to go along with our Daddy/Daughter Dance and Mother/Daughter Tea.

Our Youth Room will be undergoing a fun transformation with a new wall color and furniture. We will also be updating our toys with a doll house, play grocery store, Xbox One, and more. This refresh will be a great opportunity to add new activities into our space, as well as make it even more functional as the home to Kid’s Club, Toddler Time, our classes, and camps. We hope you will stop by and check out the new improvements!

My final note is to say that I remain committed to providing safe, engaging, and affordable programming for everyone. While 2018 saw no price increases for our activities, we will be making minor changes to our pricing for Kid’s Club and camps this year. These are necessitated by our growth and desire to be able to accommodate as many families as possible for our activities. The increase by $1/$3 for Kid’s Club will allow us to increase our staff to allow more children to join us while still keeping costs under $4 an hour per child. Our camp experience will now include later pick-up times, modified pricing for siblings for both camp tuition as well as after care, and an additional week of camp.

Thanks so much and Happy New Year!
