Dear Members,

July is fast upon us, which means days of 90-degree weather and hopefully lots of fun times with your family and friends. We know that this is traditionally a time when a lot of you take vacations and spend more time at the beach. For those of you who are still in town, we'd like to make you aware of some upcoming activities.

This year's 4th of July celebration will include golf, tennis, and swim events, and we'll have a la carte dining available until 4PM for you and your friends to enjoy! We are bringing back Music on the Deck, and back by popular demand, float nights at the pool. The Mosquito Authority, our Raleigh Pro League team, will host a double header match later this month as well.

Jens Klemsche and his professional staff worked tirelessly to deliver a first-class Member-Guest golf tournament. I would like to extend a big thank you to his team, as well as David Apple and the Golf Course Maintenance team. We received rave reviews about the condition of the course during this annual tournament. They will continue to improve the course, with aerification scheduled for July 8-14. Congratulations to David and Chris Englert for winning the 2019 Gentlemen's Tartan! Marielys, Nicole, and the Food and Beverage team helped to elevate this event by including new entertainment, premium gifts, and a lounge-like atmosphere. We even had aerialists perform for our Friday night event!

During these dog days of summer, our pool area continues to be a beacon of refreshment. Speaking of refreshments, we have added new light and healthy snacks to the pool menu. As swim team season comes to a close, I would like to thank all of the families who participated this year. Both the MacDolphins and MacMinnies had over 150 participants representing MacGregor Downs.

As always, we look forward to seeing you and your guests around the Club.

Best Regards,

Joseph B. Nowell
General Manager, MacGregor Downs Country Club
VP of Operations, Concert Golf Partners

Welcome

Lindsey Cirillo has recently joined the MacGregor Downs team and will serve as our Receptionist. Lindsey recently graduated from East Carolina University where she obtained a degree in Media Strategies and Communication. She is a Raleigh native and is excited to be back in her hometown. Over the past year, Lindsey cheered for the Carolina Hurricanes’ Storm Squad. When she isn't at the PNC Arena or MacGregor Downs, you can find her spending time with friends and enjoying the local fare. Please help us welcome her to the team and say hello next time you are at the Club.
Dear Members,

I hope everyone has a great July 4th week. If you are going out of town, we hope you have a relaxing time. If not, please join the festivities on the 4th with our Independence Day golf tournament.

Two formats will be offered for your golfing enjoyment. Take advantage of our Firecracker 1-2-3 or American Flag Challenge.

Firecracker 1-2-3 Best Ball
Par 3’s use 3 Balls, Par 4’s use 2 Balls, Par 5’s use 1 Ball
Make a 4-person team.

American Flag Challenge
Place down an American flag when you have hit your net 72nd shot. The winner will be the one who makes it the farthest. If you are still going after 18 holes, head back to the first tee. We will pay out the top five for the Flag Challenge.

Also, on the 3rd we will have Skins at 5:30PM. The golf course will be open through the weekend of the 6th and 7th, until Monday, July 8.

The Golf Course will be closed from July 8-14, as David Apple and his crew will be aerifying our greens. Aeration is an essential process to help grass roots work through the soil. Creating air space helps our greens perculate and increases the health of the grass. This process is imperative to keep our golf course in great shape. During that week, if you want to golf, give the Golf Shop a call and we will work to get you on an area golf course.

Schedule
Course Closed July 8-14
Range Opens July 12, 9AM-6PM
Golf Shop Open July 8-14, 9AM-4PM

Legacy Golf Resort in Phoenix, AZ is the focal point of both a 328-unit Wyndham timeshare complex and a master planned community with 497 residences conveniently located adjacent to the airport. The golf complex also features a swimming pool, tennis courts, and the 10,000-square-foot, indoor Golf Performance Center, whose new association with The Golf Channel Academy will only enhance its utility to members, corporate clients and PGA Tour golfers.

Located on what was once a 7,500-acre ranch, Legacy Golf Resort is rich in history: Two original grain silos, built in 1902, still remain along the 18th fairway, and the Sierra Vista House, which stands by the 1st tee, was visited in the early 1900s by Theodore Roosevelt and Pancho Villa.
