A Message From Your GM

Dear Members,

As we continue to wish the spring season was coming just a little bit faster, let me share some news that will add to that wish.

The Stitch Intercollegiate Tournament, hosted by North Carolina State University, will be played at MacGregor Downs Country Club on April 12-13 and a College Am will be held on April 11 followed by a dinner with players. Last year many of you participated as volunteers, sponsors, and spectators watching some great golf. There are many opportunities for you to support a great event again this year. If you are interested in being a sponsor or playing in the College Am, please contact Jens Klemsche at jklemsche@macgregordowns.org. For those seeking to volunteer, please contact Joellyn Crooks in the Pro Shop at 919-467-1895 or by email at jcrooks@macgregordowns.org. For those looking to experience some great collegiate golf, there will be viewing opportunities throughout the event for members. Please stay tuned for additional details.

For those members who will be traveling this spring, Concert Golf Partners acquired its 20th club on February 4th! Conveniently located on Florida's southwest coast near the charming city of Venice, Plantation Golf & Country Club is just minutes away from spectacular Gulf beaches and nearby Sarasota. The Plantation offers a friendly yet refined atmosphere of comfortable elegance and first-class amenities, making it the area's finest private club. Plantation Golf & Country Club has two 18-hole championship golf courses, Bobcat and Panther, designed by leading golf course architect Ron Garl. The Bobcat has consistently been ranked among Florida's top 50 courses by Golfweek Magazine. PGCC has been hosting the LPGA Qualifying Event since 1988. The Club also has 13 Har-Tru tennis courts with five lit for night play. We are proud to welcome Plantation Golf & Country Club to the Concert Golf family. Please contact our Pro Shop if you would like to get a tee time.

Although we have experienced many days of rain, the Golf Course Maintenance team has been diligently working to improve the course. The drainage work on #5 tee box is almost complete. The team will be installing new sod in the spring to complete this area. We have completed our initial cart path repair project, and hope you have experienced a smoother ride on the newly poured areas. We have replaced all the decking with customized treated boards on #18 bridge and the bridge will soon be painted to complete this project.

We are continuing our preparation for a great season of golf, tennis, and the many activities that held at the Club. We look forward to seeing you soon,

Best Regards,

Joseph B. Nowell
General Manager, MacGregor Downs Country Club
VP of Operations, Concert Golf Partners

Congratulations

Congratulations to Alex Withers for winning the trip to The Legacy Golf Course! You could be the next winner by simply nominating new members for the Club. Refer a new member and automatically receive 1 entry. Additional entries will be awarded depending upon the level of membership in which they join. Contact Cricket Russell in the membership office today to submit names of potential new members at 919-653-0173 or crussell@macgregordowns.org! Prizes may change depending on availability.

Pro's Corner

We are looking forward to a great 2019 season. Golf membership is strong, and we currently have a golf wait list. To make golf fun for everyone, please follow our weekend tee time policy instituted last year.

Mandatory foursomes from 8AM to 2PM on Saturdays and Sundays. If a member reserves his or her tee time per the 7-day policy and is not certain of who may be joining the group initially, that is fine, but if the TBDs are still in place two days in advance of the time, the Golf Shop will pair others in the group to make foursomes. We will do our best to pair members compatibly. In the event of a marginal weather day or if demand is not high on a given weekend day, pairings into the foursome policy may not apply. If you have an opening on your tee time during busy times, please allow your fellow members to sign up with you.

Playing 18 holes in 4 hours and 15 minutes is our standard and we thank you for staying on this pace. If you are slow, we will let you know and help you get back on pace. The rules of golf changes should help us in this matter:

1. Leaving the flag in
2. Local rule E-5 for a Lost Ball. This rule states: if a player's ball has not been found the player may proceed as follows rather than proceeding under stroke and distance. For two penalty strokes, the player may take relief by dropping the original ball or another ball in this relief area:

Two Estimated Reference Points:

- a. Ball Reference Point: The point where the original ball is estimated to have come to rest on the course, or
- b. Fairway Reference Point: The point of fairway of the hole being played that is nearest to the ball reference point but is not nearer the hole than the ball reference point. For purposes of this Local Rule, "fairway" means any area of grass in the general area that is cut to fairway height or less. If a ball is estimated to be lost on the course or last crossed the edge of the course boundary short of the fairway, the fairway reference point may be a grass path or a teeing ground for the hole being played cut to fairway height or less.

Spring is in the air and the weather is getting right for golf. The Golf Shop is stocked with gear that is sure to improve your golf game. Items on the hot list are the Callaway Flash Driver and Ping 410 Drivers, the Callaway ERC Ball with the lines that makes all the putts, and the new and improved Titleist Pro V1.

There is some great new technology in the shoes we have in stock. We are adding Ecco to our selection and are carrying the new Adidas Adicross. Also, the FootJoy Flex and FootJoy Fury have the latest in comfort, stability, and technology. They are more comfortable than your bedroom slipper and give you great support while you swing. The day of the spike is over.

Before the season gets into full swing, make sure to check your grips. It takes our staff a couple of days at most to regrip clubs. Spring merchandise is arriving soon. The Ladies Fairway & Greene has arrived and more fresh stock is on the way. Come by and speak to your professional staff and we will help you stay up date on the latest gear.

See you on the course,

Director of Golf Jens Klemsche, PGA

Operation 36

The Operation 36 Academy is just a few days away from kicking off their 2019 season! This is a special year for the Academy as it celebrates its 5th year at MacGregor Downs. Since its inception in 2015, participating students have improved by a total of 1,774 strokes in the Operation 36 Matches! Programming is available to children of MacGregor Downs, ages 7-18. There are still a few spots remaining in the weekly Academy Classes!

WHAT IS OPERATION 36?

Operation 36 is a long-term family coaching program designed to progress golfers towards shooting par or better for 9 holes. Golfers of all ages and abilities can join and begin progressing through the six levels of development. Each golfer is issued a profile in the Operation 36 App where they can view objectives, log golf actions, track progress, and connect with friends in the social activity feed. Programs are led by trained golf professionals who utilize the Op36 framework to provide the best environment to help you improve your game and achieve your goals.

ACADEMY SCHEDULE

In previous years, the Academy season has been broken up into two semester-long commitments (spring and fall). We are beginning to realize how difficult these lengthy commitments can be for some. Therefore, in 2019, the Academy will run continuously (with the exception of a few holidays) March-October (8 months). This will give families the flexibility to pick and choose a more “month to month” commitment. Once enrolled in a class, your spot is held for the entire 8-month season, as well as having priority for next season. If you would like to pause enrollment, your spot may be filled by another student.

FUTURE 36ERS (Ages 3-6)

If your child is too young for the Operation 36 Academy, programming is available for ages 3-6! These classes also run 8 months out of the year (March-October), twice per month. Families can participate for the entire season or join us for the months out of the year that work best in your schedule.

For more information or details on how to register for classes, contact Academy Director, Michael Brooks, PGA at michael@op36golf.com

***The President is Missing* by James Patterson and Bill Clinton**

Thursday, March 7, 6:30PM

The President Is Missing confronts a threat so huge that it jeopardizes not just Pennsylvania Avenue and Wall Street, but all of America. Uncertainty and fear grip the nation. There are whispers of cyberterror and espionage and a traitor in the Cabinet. Even the President himself becomes a suspect, and then he disappears from public view . . . Set over the course of three days, The President Is Missing sheds a stunning light upon the inner workings and vulnerabilities of our nation. Filled with information that only a former Commander-in-Chief could know, this is the most authentic, terrifying novel to come along in many years.

***And Then There Were None* by Agatha Christie**

Thursday, April 11, 6:30PM

“Ten . . .”

Ten strangers are lured to an isolated island mansion off the Devon coast by a mysterious “U. N. Owen.”

“Nine . . .”

At dinner a recorded message accuses each of them in turn of having a guilty secret, and by the end of the night one of the guests is dead.

“Eight . . .”

Stranded by a violent storm, and haunted by a nursery rhyme counting down one by one . . . as one by one . . . they begin to die.

“Seven . . .”

Which among them is the killer and will any of them survive?

Garden Club

The MacGregor Downs Garden Club will meet on Wednesday, March 20 at 10AM in the Highlands Room. Annie Baggett, Director of NC AgriTourism, will discuss our state's newest form of tourism. On Wednesday, April 17, we will apply our inspiration from the North Carolina Museum of Art "Art In Bloom" event. Club members will team up to create their own floral imitations of art works.

To support our intern scholarship at the JC Raulston Arboretum, we will again be selling plant coupons. Coupons are \$15 each and can be redeemed at Campbell Road Nursery between April 26-May 13 (ideal planting time). Each \$15 coupon buys a flat of 36 annuals or three 1-qt. pots of annuals. We welcome non-Garden Club members to help us support this internship. Contact Nancy Avett for further information at 919-244-3225.

We would love to welcome more new members in 2019. The Garden Club meets on the third Wednesday of every month, from September through May. Please contact Membership Chair Jackie Earle (309-256-1986 or earlevilla@netscape.net) or President Tracey Boddie (919-606-6294 or traceyboddie@gmail.com).

Fitness

I work with a lot of clients who sit for long periods of time, everyday. Sitting too long can negatively affect our posture and tighten our hips. Bad posture and tight hips are bad news for golfers. One way to counteract these periods of inactivity is by doing an exercise called Active Straight Leg Raises. This exercise helps improve posture and hip hinging mechanics.

Lie on your back with your hands down by your side (palms down) and your legs extended, slowly raise one leg keeping the knee extended with the opposite leg staying flat on floor. Both toes should be pointing up with no rolling of the hips to either side. Then slowly lower the leg to the floor and repeat. Repeat on the opposite leg. Start by doing leg raises for 20 seconds, and work your way up to a minute on each leg.
